School Supplies and Your Kindergartener

Sierra PTO is proud to be able to offer our families the convenient option of purchasing custom pre-package school supplies by partnering with Educational Products, Inc., the original supplier of custom school supply kits.

EPI Prepackaged School Supplies are:

- Teacher approved, so there is no guesswork on what to buy.
- Quality products with a full school year guarantee.
- Custom packed for each student and delivered right before school starts.
- Easy and hassle free. Avoid the shopping crowds by conveniently ordering online.
- More affordable compared to national retailers due to our bulk ordering.

The teachers are updating the supply lists for the **2017-18** school year; once they are finalized, a detailed order form will be distributed and you will be able to order your student's kit online at the website: <https://www.educationalproducts.com/ShopPacks> and entering our school code **KYR007**.

We are excited to welcome you and your child to Sierra Elementary and look forward to a great partnership.
