ARTICLE VIII. PARLIAMENTARY PROCEDURE

Robert's Rules of Order shall govern this organization during all meetings, both General and the Executive Board. Sierra PTO uses Roberts Rule of Order in an informal manner, as the group does not rely on strict parliamentary procedures."

Kyrene de la Sierra PTO Bylaws

Proposed meeting norms will be: a) to assume responsibility for the role of recorder and participant, b) to start and end promptly, c) to work from a prepared agenda, d) to ensure equal opportunity to be heard, e) to seek to understand through dialogue and inquiry.

Consensus rules are to be used in meetings for most decision-making. Consensus is a group decision (which some members may not feel is the best decision, but which they can all live with, support, and commit themselves not to undermine). This decision is arrived at through a process whereby the issues are fully aired, all members feel they have been adequately heard. When a motion is not likely to be opposed, the Chairman says, "if there is no objection ...". The membership shows agreement by their silence, however if one member says, "I object," the item must be put to a vote.

This process depends on the assumption that everyone has equal power and responsibility, and different degrees of influence by virtue of individual stubbornness or charisma are avoided so that all are satisfied with the process.
